Leslie Speaker and Jay Bock from CLC came and spoke about rider training classes. They offer Basic Rider Course, Street Smarts (intermediate), and Experienced Rider Course. Discussed what the courses covered and the advantage of taking the course(s), and safety of riding. Possibility of putting together a group of 5 to 6 for a class at a reduced rate. Mike mentioned that if we have 12 people from the chapter commit to the advanced rider training, H.D. will send a plaque to the chapter.

Secretary: Went over minutes from last meeting. Nothing new.

Assistant Director: Nothing new has been heard from people at State Rally. The thought is that since we are new, they will not ask our help this year, but probably will next year. Looks like we should have a good turnout this year. Bill mentioned the great turnout for the Open House at Donahue's this year.

Membership Director: We had five sign up at the Open House, so we currently have 63 members, and two pending. Need to check with Paul and see if any new bikes purchased which would give the individual a one year membership in the chapter from the dealer.

Treasurer: Absent.

Activities Director: Lani provided information as Ann was absent. Four rides established. There are two overnights-one to Ely July 14 & 15, and one to St. Croix (not through Stillwater) on Sept. 8 & 9. We will need to know by the next meeting who is going on the July ride to arrange lodging. We will meet Sundays at the dealership at 11:00 for weekly rides.

Editor: Lani said newsletter is going well, let her know if any ideas or articles to be included. Everyone feels she is doing a great job. Thank you, Lani. We were informed that Red Adair's grandson died. Nancy will get a card.

Historian: Sharol is looking into a nice binder with picture slots, sheets for story covers, etc. Sharol will submit something by next meeting. Mike talked about getting pictures, stories, a chapter photo, and maybe a bio on each member in the binder.

Photographer: Absent.

Webmaster: Nothing new at this time.

Road Captain: Bob stated they could use more road captains. There are currently four or five ride captains. Bob is going to put together something for each road captain with ride releases to give to guests who ride with us. It was talked about at this point that whoever leads a ride should either close it at destination if the ride is to break at that point, or name someone to lead back to dealership so everyone knows if they are on their own or if group is returning together. Red is possible addition and Paul A. is going to help.

Chapter Photograph: There will be a chapter photograph taken at the dealership on June 13th before the meeting.

New Business:

There will be a ride on May 20. It is the Spring Warm-up ride for Veterans at the Black Dog Bar & Grill in Crosby. We will meet at the dealership at 9:30 am to head to Crosby. There is \$20 rider and \$10 passenger registration.

Paul Bunyan logo has been approved. Lani is waiting for a bid on Tshirts.

Meeting adjourned.

Respectfully submitted,

Nancy Carrington
Secretary
